FIRST ANNOUNCEMENT

1st Macedonian Congress of Pathology with International Participation

October 12-16, 2011
Ohrid, Republic of Macedonia

in collaboration with

EUROPEAN RENAL ASSOCIATION
EUROPEAN DIALYSIS AND TRANSPLANT ASSOCIATION
Registered Charity n° 1060134
Dear Colleagues,

On behalf of the Macedonian Association of Pathology I am delighted to have the opportunity to extend our cordial invitation for you to attend the 1st Macedonian Congress of Pathology with International Participation.

The 1st Macedonian Congress of Pathology which will be held in Ohrid, Macedonia, October 12-16, 2011 will be an excellent opportunity to bring together international researchers, international organization representatives, pathology experts, scholars, and numerous colleagues to share the knowledge and the latest achievements of research and practice in Pathology.

The Macedonian Association of Pathology will do everything in its power to make this event a memorable and successful conference, believing that all delegates will find their participation both professionally rewarding and personally enjoyable.

I look forward to seeing you in Ohrid, Macedonia in October, 2011.

Prof. Vesna Janevska
President of the Organizing Committee

The 1st Congress of Pathology in Republic of Macedonia is delighted that European Renal Association has accepted to carry out European School of Nephropathology during the Congress.

HOST CITY
The Conference will take place in Ohrid. The attendees will be accommodated in major hotels located along Ohrid lakeshore, only a few kilometers away from the city of Ohrid.

PROGRAMME
The programme will feature state-of-the-art keynote presentations, special presentations on recent scientific achievements, meeting the expert's sessions as well as oral and visual presentations on the following topics:
- Gastrointestinal Pathology
- Nephropathology
- Gynecopathology
- Cytopathology
- Hematopathology
- Bone and soft tissue tumors
- Other

LANGUAGE
Macedonian and English will be the official languages of the Conference for both oral and visual presentations. Conference rooms will be equipped with video beams, overhead and slide projectors.

EXHIBITIONS
A product and service exhibit will be offered in conjunction with the Conference. Those who are interested in having a display are kindly invited to contact the Organizing Committee.

SOCIAL PROGRAMME
The social programme for accompanying persons will be arranged during the days of the conference. A half day tour, reception and banquet will be organized for the delegates and registered accompanying persons. Costs for the optional tours will be posted on the conference home page.
